**PETITIONER's COMMENTS**

Please accept these comments as restated below from Proponents original petition.

**DISCUSSION**

Petitioner respectfully submits that the public interest would be served by allocating Channel 288A to Thomas, Oklahoma, as that community's first local aural broadcast transmission service. Thomas, Oklahoma is an incorporated community of over 1,200 people. Thomas has its own mayor, Bill Haney, its own post office, its own fire department, its own school district, its own city hall and a number of local churches. The proposed channel 288A will provide additional diversity and an outlet for local self-expression to Thomas residents and therefore is in the public interest.

Should this petition be granted, and Channel 288A be allotted to Thomas, Oklahoma, Petitioner will apply for Channel 288A, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Robert Fabian', written over a horizontal line.
